**Hi Ray -**  
To be in compliance with some state thing, we have to do an educational piece with the community. If you think you guys would like to sponsor a poster contest - pick one of the topics he has listed and we can run it thru school. Couple of tips about poster contests - limit the grade level - 4th grade is a good age, pick one topic, size of poster (regular piece of paper size 8x11) and a specific date it must be completed by. Kids can turn them in to their teacher, give them to me or Cindy and we'll bring to meeting- - pick a winner and announce in school. Winning poster can be displayed in town hall. I think it'll be good public relations thing for the Commission! We'll discuss prizes! MMaybe a seedling! Haha  
Thanks Ray
